*We can make
better progress
together*

*We don't work well
enough together yet*

*We are in a
difficult context*

What we are aiming for....

Guiding Principles of the Charter

Social model of disability social approaches recognising unique identities and experiences

Rights based approach – UN Convention on the Rights of A persons with disabilities, the equality act and the care act

Promote independent living as the cornerstone of wellbeing

Value the voice of people with lived experience of disability

To oppose discrimination and promoting social justice

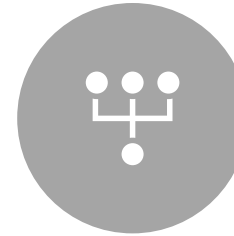

Has full and equal citizenship.

THE WIDER
CONTEXT

A dark blue, irregularly shaped graphic with a splatter effect, containing white text. The graphic is centered on a white background and has a rough, hand-painted appearance with some lighter blue and white splatters around its edges.

The charter
journey so far.....

**What are your first three
steps to implement the
charter?**

You've been seconded into a role where it is your job to implement the charter nationally. What actions would you take?
