

Why join SWU and why you might need us only £20 with your present BASW membership

Every year, the Social Workers Union skilled TU Officers help Social Workers with a range of different situations, from the small and easily resolved, to more significant and prolonged conduct issues. Disciplinary and grievance procedures, including representation at internal hearings - this is only guaranteed if you are a SWU member.

Remember - investigations into professional social work practice and allegations of misconduct - where this is done by your employer, representation is only guaranteed if you are a member of SWU.

SWU sits on the National Executive of the General Federation of Trade Unions. Have a look at the access you get as a member to training and development. SWU is one of the fastest growing unions in the UK - be part of the progress.

Being part of a strong growing trade union is a vital and recognised way of successfully being part of the Trade Union movement. Help us campaign for better working conditions, pay and professional recognition.
