

LET'S TALK SOCIAL WORK

BASW's **Let's Talks Social Work** podcast is a space for conversation—discussion with social workers, the individuals they support, & colleagues working in related professions. The series considers the key matters affecting social workers, exploring contemporary issues with a focus at both the local & global levels.

Let's Talk Social Work is available on all major podcast platforms, but if you are new to podcast listening and aren't sure where to find the series, click on one of the links below:
